# The National Electronic Library - user questionnaire for public libraries 2007

Object of the research:

The purpose of this questionnaire is to chart the use of electronic resources in public libraries. The results will be used to assist in making decisions about acquiring electronic resources.

In this questionnaire, electronic resources means any or all of the following electronic items:

- \* e-journals
  - \* electronic books
  - \* dictionaries
  - \* reference books
  - \* reference databases, etc
- which you can access via your public library network.

FinELib, the National Electronic Library, is in charge of the questionnaire.

Answers will be treated in the strictest confidence. A summary of the results of the questionnaire will be published on the FinELib web-pages at

<http://www.kansalliskirjasto.fi/finelib>

Your library may also publish the results of the questionnaire on its own web-pages, for example.

**BY ANSWERING THIS QUESTIONNAIRE, YOU CAN HELP TO IMPROVE LIBRARY SERVICES!**
