13.4	Clients with social problems	1	2	3	4	5
13.5	Clients from socio -economically disadvantaged background	1	2	3	4	5
13.6	Resourceful, skilled individuals	1	2	3	4	5
13.7	Clients who are immigrants	1	2	3	4	5
13.8	Clients who are refugees	1	2	3	4	5

14. How do you rate the support provided for clients in these situations?

		Very good	Good	Fairly poor	Poor
14.1	Clients whose native language is different from the local language(s) or a dialect of this/these language(s).	1	2	3	4
14.2	Clients with intellectual disabilities.	1	2	3	4
14.3	Clients with physical or mental disabilities/illnesses.	1	2	3	4
14.4	Clients with social problems	1	2	3	4
14.5	Clients from socio -economically disadvantaged backgrounds	1	2	3	4
14.6	Resourceful, skilled individuals	1	2	3	4
14.7	Clients who are immigrants	1	2	3	4
14.8	Clients who are refugees	1	2	3	4

15. As a social worker, how often do you do the following?

		Usually	Sometimes	Rarely	Never
15.1	Cope with the situational challenges in work with clients from multicultural background.	1	2	3	4
15.2	Adapt my professional orientation to the cultural diversity of clients.	1	2	3	4
15.3	Raise awareness for cultural differences amongst clients.	1	2	3	4
15.4	Reduce ethnic stereotyping of clients.	1	2	3	4
15.5	Cope with the demands that I am facing.	1	2	3	4
15.6	Feel overwhelmed in contact with my clients.	1	2	3	4
15.7	Experience problems as a challenge rather than a burden, as carrying out my profession as social worker	1	2	3	4

16. As a social worker, to what extent can you do the following as working with clients, basically children and/or their family member/s?

		A lot	Quite a bit	To some extent	Not at all
16.1	I encourage children to make their opinion clear to adults.	1	2	3	4
16.2	I support children's initiatives (that are not connected to my work duties) and encourage them to realise them.	1	2	3	4
16.3	I allow children to discuss things/ questions on their own/ autonomously.	1	2	3	4
16.4	If children make autonomous proposals about initiatives/ activities, I support and coordinate them.	1	2	3	4
16.5	If children have creative, new ideas about maintaining and reinforcing ability to cope in their daily life, I support and encourage them to implement these ideas.	1	2	3	4
16.6	I allow children to question my thoughts or decisions.	1	2	3	4
16.7	I encourage children to articulate and enforce their interests.	1	2	3	4
16.8	I generally try to enhance children's activities that are not connected to social work practice, but reinforce their ability to cope in every day life.	1	2	3	4

Next, a question concerning your current feeling of competency as a social worker in the areas listed below.

17. How satisfied are you, as a social worker, with the below listed aspects?

		Very satisfied	Satisfied	Slightly unsatisfied	Very unsatisfied
17.1	My occupational situation in general	1	2	3	4
17.2	My personal work organization	1	2	3	4
17.3	The performance requirements that I have for my clients	1	2	3	4
17.4	My work with clients in regard to content and working method	1	2	3	4
17.5	My relations to the clients.	1	2	3	4
17.6	My relations to the clients' other support network (school, health care etc.)	1	2	3	4
17.7	The collegial support.	1	2	3	4
17.8	The superior's support	1	2	3	4
17.9	All in all I am satisfied with my job	1	2	3	4

Finally, we would like to learn about your opinion about the living together in [country] / our society.

18. How strongly do you agree with the following sentences concerning living together in [country]?

Scale: 1 Agree; 2 Slightly agree, 3 Slightly disagree; 4 Disagree

16.1	[Country] would be a better place, if members of different groups kept their own way of life alive.	1	2	3	4
16.2	People who come to [country], should change their way of life to be more like 'us'.	1	2	3	4
16.3	If the members of different groups want to maintain their own culture, they should keep it to themselves, and not bother other people in this country.	1	2	3	4
16.4	It would be good to see, if all the groups in [country] retain their cultures.	1	2	3	4
16.5	A society, which has a variety of groups, is more able to tackle new problems as they occur.	1	2	3	4
16.6	It is best for [country] if all immigrants forget their cultural background as soon as possible.	1	2	3	4
16.7	Mingling different cultures would be the best way of managing differences.	1	2	3	4
16.8	Cultural influences and personal expressions always mingle.	1	2	3	4
16.9	Culture is not important to explain people's personal behavior.	1	2	3	4
16.11	Having many different cultural groups in [country] makes it difficult to solve problems.	1	2	3	4

Thank you for your valuable contribution!
