Safety and Well-Being among Youth 2022

Thank you for participating in the survey of Safety and Well-Being among Youth!

You will be presented with a series of questions about your experiences with safety and harm across a variety of life domains (school, social media, neighborhood, home, etc.). In addition, we ask questions about your lifestyle, your hobbies, your health and well-being.

Please know that your responses will be anonymous, and the survey is confidential. This means that you can respond to these questions safely, with no concerns about revealing your identity. You will begin the survey by clicking on the “Next” button below. Starting the survey in this way means that you have given us your consent to participate in the study. After you have reached the end of the questionnaire, click the “Send” button. This way your answers will be recorded and saved.

You may quit participating in the survey at any point in time. Should you wish to do so, simply close the browser and your answers will be dismissed and excluded from the survey data. However, please understand that it is not possible for you to withdraw from the study once you have saved your responses by clicking the “Send” button and the end. We kindly ask you to respond to each question honestly and with the best of your ability. You are not allowed to consult your classmate or a teacher. They do not have the permission to see your answers. In case of technical problems, please raise your hand and the teacher will assist you.

Note that the entire class session is dedicated to taking the survey. If you are done before then class ends, please remain seated. After you are finished with the survey, you will be directed to a website that provides you with content that should keep you busy through the end of the session.

You are now ready to start the survey.

There are 334 questions in this survey.

[Arkistoidun lomakkeen lukuohje: kysely on toteutettu verkossa ja se rakentui perustuen vastaajan antamiin vastauksiin. Jos esimerkiksi vastaaja on vastannut kieltävästi kysymykseen ”Onko sinulta kukaan varastanut jotain viimeisten 12 kuukauden aikana käyttäen väkivaltaa?” ei jatkokysymyksiä kysytä, vaan vastaaja siirtyy automaattisesti kohtaan ”Varkaus ilman väkivaltaa”.]
